TERMS OF THE DAILY:

The Intelligenter.

When the Marquis of Lorne married When the Marquis of Lorne married Queen Victoria's daughter, the Princess Lours, people thought him a very fortumate young man, and all the newspapers aid "well done Lorne." The Marquis is the oldest son of the Duke of Argyle, one which the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son of the Duke of Argyle, one with the oldest son the oldest son of the Duke of Argyle, one with the oldest son the o said "well done Lorne." The Marquis is Commerce, but by the comments of the the oldest son of the Duke of Argyle, one writer it appears that the decision is ger. of the richest and most aristocratic of taken to settle the point, as a general printhe Scotch peers; a family that considers ciple, that a loss is not recoverable from its blood a little-bluer than that which an insurance company where the premium comes through the weins of the royal has not been paid. It is also taken family of Estand. For that matter to settle the point that brokers through there are several poers of the British whom risks are sent to insurance comrealm that look upon their family line as superior to that of the Queen's. Howgood match for the Marquis of Lorne to thing for a person to do who takes out an insurance policy is to pay the premium parties seemed satisfied. The motherly at once and get a receipt for the same Queen of England was thought to have from the company. The receipt of shown in a special manner her character a broker or solicitor, unless he be the istic good sense in thus matching one of agent of the company, will not stand in her daughters to one of the great houses law. of her own nobility. Everybody said it was infinitely preferable to hunting up a is another insurance decision that is of German elector or Danish Prince or some general interest. It is as follows: The other sort of Continental adventurer, like Averill Chemical Paint Company, of

The match might no doubt have been \$1,381 87 from a St. Louis insurance coma happy one had the Princess Louisa been as highly endowed with good sense in the afternoon of December 4th, 1872 pany. It appeared that about 4 o'clock as with worldly position. But it appears that that she has not been willing to give up going to places where her husband could not appear with her on terms of equality, and where in consequence his pride has been husband account of the general agents of the Company, and arranged for an insurance at 1; per cent, to take effect at a consequence. to take effect at once. The premises been humilisted. According to a London paper he was requested to withdraw from a tent set apart for the royal family at insured in 13 different companies, and the a tent set spart for the royal family at Buckingham Palace Garden by one of the equerries in waiting, a request that was of course away and spart for the royal family at Buckingham Palace Garden by one of the equerries in waiting, a request that was equerries in waiting, a request that was adjust the the losses. The share of the same thing; in one shape and another, according to the London World, has happened to him several times. The consehazardous and had directly rejected this risk, and that there was collusion between the plaintiffs and their agents in getting it accepted. The jury overruled these defenses. quence is that he has grown very unhappy, not to say positively miserable. "He wishes now," (like HANS BREITMAN)

"But all in Vain That he was free to marry again. That he was free to marry again."

Recently neither he nor his wile attended the christening of the Duchess of cial interest to stockholders in National Banks, and is as follows: It is the case of person except his private secretary.

cluded to give over attendance at cere. a man (a Dr. Cherseman) who became a monies of the kind where her husband subscriber in 1865 for fifty shares of stock cannot appear as her equal. If so, she in the 8th National Bank of New York. may be able to repair to some extent the &"In May, 1867, at a time when the bank may be able to repair to some extent the mischief that has been done already. The pity is that she did not have good sense enough to stand upon his rights from the outset. Even a Queen's daughter should be supposed to regard, her husband's honor as her own, and to guard it just as zealously as if he were a member of some royal family. If she was not prepared to deprive the certificates by signing the order the she did great injusting to be said. ously as if he were a member of some royal family. If she was not prepared to do this she did great injustice to hersell and to him in ever consenting to be his bride. We are only surprised that the certificates to the cashier who are the certificates to the certificates to the cashier who are the certificates to the certifi do this she did great injustice to herself and to him in ever consenting to be his bride. We are only surprised that the Queen has not used her influence to prevent such occurrences as are published to to the world in the London paper referred to. She ought to feel that the happiness of two persons so closely related to her is a matter of much more importance than a strict observance of empty State ceremonies. Upon the whole, taking the sci a strict observance of empty State ceremonies. Upon the whole, taking the account in the London World as true, it does not seem a wise thing to do for a young man to marry a Queen's daughter. Even a Marquis can become very unhappy under such circumstances. His younger brother who recently married a famous manufacturer's daughter, without great name or lineage, will probable see more harvinees in life than the Marquis."

ANOTHER FIRE.

Important Decisions.

We notice in the New York Journal of Commerce a decision that is of interest not only to insurance agents and companies but to the public generally. It relates to what has been at times a vexed question in insurance matters, viz: as to whose clear profit, it he sells in time, will be over \$2,000,000. In the last twenty-four hours claifornia has risen \$100 a share:

The General's profit in those twenty-four to buildings, including Dr. Chamber-four hours has been \$650,000—more than \$25,000 an hour—\$500 a minute! It is fabulous.

Steamer News.

Members on both sides—It is a matter of too much importance; we have not read it yet.

Mr. Randall—We all agree on this side to do what is fair. The gentleman from Tennessee has made his proposition, and there is no objection whatever to it on this side.

Mr. Maynard—The gentleman (Ran-dall) and his associates are content that the bill shall be made a special order for BY TELEGRAPH the 8th of January, and that is the best we can do in the premises. Why not do it?

Mr. Dawes—What is to hinder our reaching it by going to the Speaker's

Mr. Randall—Because the Civil Rights ill would be reached first.

Mr. Dawes—That bill can be postponed

Mr. Beck—A postponement would give it a chance of being considered, and we are determined it shall not be considered before the 4th of March.

Mr. Platt hoped that his party in the

House would show as much backbone as the Senate had shown and sit out the bill if it took two weeks.

Mr. Cox asked the Speaker whether the bill was not subject to a point of order that it must reserve its first consideration a the Committee of the Whole

The Speaker stated that he never ruled in hypothetical points. When the bill was reached he would rule upon it.

Mr. Cessna remarked that the Judiciary
